Starting Procedure: Caballero riders will start first, followed by Hixpano riders

FIM Riders: will start according to the current FIM Hard Enduro World Championship standings. Riders with no World Championship points will start after all classified FIM riders.

NON-FIM Riders: Riders will start in the order established by the Organizer (see start list)

Sighting Lap: Start at 10:30 hrs. Riders will start individually at 10-second intervals.

Qualifying Lap: Start at 11:30 hrs. Riders will start individually at 20-second intervals.

Premature Stopping: If the decision is taken to stop the race, a RED flag will be shown to the riders at the relevant points on the course. Riders will be sent back to the start line to restart their lap.

Result: The timed result will determine the starting position for the Campoo Xtreme Race.

Riders who do not obtain a valid result or do not start this Prologue will be placed on the Campoo Xtreme starting grid after all riders who obtained a valid result. The order among these riders will be established according to the starting order initially assigned for this Prologue.

8.3 CAMPOO XTREME RACE

Format: HIXPANOS and CABALLEROS: Multi-lap Hard Enduro race on a 6 km course.

Duration: 1 hour + 1 lap.

After 1 hour of racing, the leader will receive the signal to start the final lap.

Once the leader has completed the final lap and crossed the finish line, no other rider may start the final lap.
Riders arriving afterwards will finish their race when they cross the finish line.

Maximum race time: 1 hour and 30 minutes total race time.

Location: [42.803098,-4.283214 HERE](#).

Start/finish in the paddock – SuperEnduro circuit, next to the reservoir.

Starting procedure: The starting position will be determined by the result of the morning Prologue.

Each rider's grid position will be marked on the ground with a U-shaped marking.

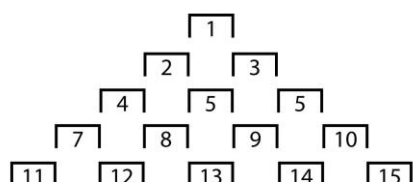

The start will be signaled by a red light.

Race time will start as soon as the first row starts.

Starting interval between riders: 30 seconds between each row.

Row 1: Top 15 riders, positioned in a triangular-shaped starting grid (see drawing below).

Row 2 and onwards: rows of 20 riders each; e.g. row 2: riders 16th to 35th.

Starting order:

Time schedule: Hixpanos – Race
